Forecast For The United Kingdom
Issued by Met Office Exeter
at 0400 on Saturday 07 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Unsettled and showery for most.

Today:
Showers affecting many parts, some heavy and thundery, and slow-moving in the north. Some sunny spells in between but temperatures a little below average on the whole. Breezy in the south.

Tonight:
Showers mostly dying out in the south and east but more rain affecting parts of the north and west, heavy in places. Remaining breezy in the south.

Sunday:
Sunny spells and showers, some of which will be heavy with a risk of thunder, especially in the north. Perhaps some persistent heavy rain in the far northeast.

Outlook for Monday to Wednesday:
Showery again on Monday, some showers heavy and thundery. Drier for many on Tuesday with showers more restricted to the east. Band of rain arriving from the west on Wednesday.
